“For sixteen years running, **SupplyChainBrain** has published our much-anticipated list of 100 Great Supply Chain Partners — a select group of companies whose customers recognize them for providing outstanding solutions and services.

Our six-month online poll of supply chain professionals requires a qualified response, asking them to nominate vendors and service providers whose solutions have made a significant impact on their company’s efficiency, customer service and overall supply chain performance.

This year’s field of nominees was competitive and inspiring – coming from all sectors of supply chain management. Your company should be proud to be named amongst the 100 Great!

Wen-Parker Logistics will appear in the 2018 October issue of **SupplyChainBrain** magazine as an honored member of this year’s 100 Great Supply Chain Partners.”
